Just a reminder that all checks given to the church which you want to count on your 2011 tax return must be in the office or contribution on or before December 30, 2011 (since the office is closed December 31). The law does not allow us to issue tax letters for 2011 for anything received after December 31, 2011, even though it may be dated 2011. The only exception would be if we were to receive money in the mail postmarked on or before December 31, 2011. (Tax letters will be sent out for individual checks of \$250 or more by January 31, 2012.)

To Our Faith Village Family, We would like to thank you for all the prayers, cards and calls on Bobby's behalf. His surgery went well; had a few anxious moments with his oxygen level being low and no pain killer until it came up. But he is doing great and we thank God for bringing him back home. God bless each and every one.
